Location	Description
Version 8.1.1187 (Revision 3763)	
Repair Detail Tab Notes Section	<p><u>Updated:</u> Editing Notes from the Repair Detail are separate from the Mechanic Notes added during the Job Out function.</p> <p><u>Added:</u> View All hyperlink near the Notes to see Mechanic Notes created during Job Out function.</p>
Job Control Job Out Function	<p><u>Updated:</u> Job Notes field saves independantly from the Repair Detail notes and are also referred to as Mechanic Notes. These mechanic notes can no longer be overwritten accidentally or lost when prompt with an error message such as the RO record lock.</p> <p><u>Added:</u> View All button to see all Mechanic Notes tied to the repair detail line.</p>
Application	<p><u>Added:</u> Feature allowing internal mechanics to be tied to vendor accounts. This functionality grants mechanics the capability to service any vehicle as if they are an Outside Mechanic doing the work.</p> <p><u>Added:</u> Options to suppress Labor Costs and Hours from displaying in the Repair Detail, Mechanics, and Repair History tabs.</p>
